

## ITS College hosts its first Orientation Programme for BBA and BCA freshers

**Friday, 29th September:** ITS College of Professional Studies under the aegis of ITS- The Education Group organized their 1st Orientation Program- Subharambh to welcome the first-year students of BBA & BCA with great enthusiasm. The program took place from 29th September to 30th September 2022 and witnessed a myriad of events differing from academics to cultural. The venue was filled with a number of freshers who were ecstatic to begin the new phase of their campus life.

After the freshers were welcomed and settled, the program was commemorated with a brief introduction about ITS- The Education Group by Mr. Somesh Nath, CRC Head of ITS College of Professional Studies. It was followed by an auspicious inauguration by the head members through the lightening of lamp before Ma Saraswati- The Goddess of knowledge & wisdom. This set a positive aura throughout the hall, followed by a warm welcome address by Dr. Dileep Singh, Principal of ITS College of Professional Studies. The students were then addressed by a distinguished guest, Mr. Surendra Sood, Director PR of ITS- The Education Group, who delivered a motivational speech to the first year students as they were about to carve a niche for themselves for the next three years. A formal tone was set in through a series of talks given by the distinguished guests, Mr. I.S Jha, Head & IR of Intex Technology Ltd. and Mr. Dinesh Rai- Ex IAS Officer who stepped on the podium to share an insightful session to the new members of the ITS Pariwar.

After a delightful refreshment, Mr. Somesh Nath concluded the first day with an informative presentation about the institute, followed by the documentation and verification of the first year students.

The second day of the Orientation Programme was followed with much curiosity and interest amongst the students. After the students' formalities were completed, a brief presentation was given by the IT team. However, the main highlight of the program was a perceptive expert talk given by Ms. Jyotsna Behl, Director of KIARA Education Pvt. Ltd. Students keenly listened to her intellectual deliberation. The last segment of the program was an hourly yoga session presented by Mr.

Sachin Sinha who acquainted them with different yoga asanas to reduce stress levels and build up a healthy body. Needless to say, the students seized up this enlightened opportunity with open arms.
